B. VOUCHER CONTRACTS

B 1) Contract Terms

By purchasing a Voucher from us, you enter into a contract with us (“a Voucher Contract”) that is governed by Sections B and D of these Terms and Conditions. The Voucher can be redeemed, by you or a person to whom you give the Voucher, by booking a Flight with us on the terms of a Flight Contract as set out in Sections C and D of these Terms and Conditions.

B 2) Restrictions on Passengers

There are restrictions (including age and medical restrictions) on who we will accept as Passengers, which are set out in Section C of these Terms and Conditions. We will not be liable if you buy a Voucher as a gift but the recipient of the gift does not meet the Passenger restrictions, and no refund will be given for the cost of the Voucher in these circumstances. Please check that the intended recipient meets the Passenger restrictions.

B 3) Voucher Validity

- i) The Voucher must be used within 12 months of the date of purchase to book a Flight, and the Flight must take place within a further 12 months from the date of booking. Flights are available on selected dates throughout the year. Bookings are made on a first-come-first-served basis.
- ii) Once a Voucher has expired, it can no longer be used and cannot be redeemed.

B 4) Voucher Refunds

- i) Vouchers are not covered by the Financial Services Compensation Scheme, and no refunds will be offered except as expressly set out in these Terms and Conditions.
- ii) If requested within 14 days of purchase, a full refund will be given by us for the cost of a Voucher unless the Voucher has already been redeemed. Refunds will not be made to a Voucher holder who is not the purchaser, or to any third party. Any refund will be processed, and a credit will be applied to your credit card or original method of payment, within 14 days of the request for refund. The Voucher will then be null and void.
- iii) Refund requests must be in writing and either posted to Warbird Experiences Ltd, Hangar 204 Churchill Way, Biggin Hill Airport, Kent TN16 3BN, or emailed to refunds@bigginhillspitfire.com. A form that can be used for requesting a refund is available on our website.

Once 14 days have passed from the date of purchase, a refund for a Voucher will only be given at our sole discretion. A Voucher can, however, be assigned to a new Passenger at no additional charge. Please advise us if you wish to change the name of the person flying.

B 5) Receipt of Voucher

When you purchase a Voucher, we will send you, by email or post, a unique Voucher redemption number. If we send the Voucher redemption number by post, a copy of these Terms and Conditions will be sent to you with the Voucher. This will enable you, or a person to whom you give the Voucher, to book a Flight as set out in Section C below. If you do not receive an email within 24 hours or a postal pack within two days, please contact us.

C. FLIGHT CONTRACTS

C 1) Booking a Flight

- i) Bookings can be made online or over the phone. All Flight Contracts are governed by Sections C and D of these Terms and Conditions.
- ii) When you make a booking for a Flight, you undertake and guarantee that:
 - (a) you are, or will be on the day of the Flight, over the age of 18;
 - (b) you accept the terms of the Flight Contract as set out in Sections C and D of these Terms and Conditions; and
 - (c) the terms of the Flight Contract shall apply to your booking to the exclusion of all other terms and conditions.

C 2) Payments

The full price for the Flight must be paid at the time of booking, either by credit/debit card or by redemption of a valid Voucher. No firm booking will be made until payment is received by us in full, and until the booking is firm we may offer the Flight session to other parties. Once we have received payment, we will send you an email or letter, as appropriate, confirming your booking.

C 3) Availability of Flights; Cancellations

- i) Flights are available on selected dates throughout the year. Flight availability can be viewed online or obtained by contacting our office. Bookings are made on a first-come-first-served basis. Your briefing time will be confirmed once your booking has been made.
- ii) No guarantee can be made as to whether a Flight will be possible on any particular day, even once a firm booking has been made. We reserve the right to postpone a Flight previously booked and to offer an alternative booking. If, for any operational reason, we need to postpone a Flight previously booked we will offer an alternative date at your convenience.
- iii) We may cancel a Flight at any time before take-off because of weather conditions, operational circumstances, aircraft serviceability or air traffic. If, for a reason within our control, a Flight cannot be operated as booked, you can book an alternative date or we will revalidate the Voucher that you used to pay. If a Flight cannot be operated as booked for a reason outside our control, then Clause D 2) (Force Majeure) below will apply. We will give you as much notice as possible if a Flight has to be cancelled or postponed.
- iv) If you fail to arrive by the given time on the day of your Flight, you may forfeit your Flight, and no refund will be given.
- v) We may cancel a Flight or land early because, in our opinion, you are physically or medically unable to fly or the pilot deems you to be a danger to yourself, the pilot, or the aircraft. No refund will be given in these circumstances, so please read the provisions of Clause C 4) below before you book a Flight.

C 4) Age, Medical and Physical Restrictions

- i) We may refuse to allow you to undertake a Flight if for any reason we feel you are unsuitable to participate.
- ii) The minimum age for a Passenger is 18 years old, and we may require you to provide suitable proof of age.
- iii) We are not qualified to express an opinion confirming that you are fit to fly, and you must ensure that you are fit to fly, by consulting your doctor if necessary. You are responsible for advising us of any disabilities or health problems that might affect your safety or the safety of the pilot.
- iv) Before the Flight, you will be required to sign a medical declaration (which is available for you to read on our website and is referred to here as the Medical Declaration) regarding your fitness to fly. You must read this form carefully before arrival at our facilities. In particular, you must meet the requirements for driving a

car or have written confirmation from a doctor that you are fit enough for the proposed Flight.

- v) You must have the mental capacity to remember some straightforward emergency procedures, and a degree of physical strength to execute them. By signing the Medical Declaration you will acknowledge that you meet these requirements, and you may also need to satisfy our staff that you are a reasonably minded individual when presented with the information to make your decision to give written consent to undertake the Flight.
- vi) If you are not feeling completely well on the day of the Flight, you must not undertake the Flight. You must not undertake the Flight if:
 - (a) you are suffering from any serious medical condition (including epilepsy, fits, severe head injury, uncontrolled high blood pressure or heart condition);
 - (b) you have recently undergone surgery (unless you bring with you a written certificate of your fitness to fly from your doctor);
 - (c) you are on prescription medication which may affect your fitness to fly (please discuss with your doctor, as we are not qualified to advise on this);
 - (d) you are suffering from a cold or sinus infection;
 - (e) you are pregnant; or
 - (f) you are suffering from any condition affecting your breathing or consciousness.
- vii) If you suffer from any of the following conditions or any of the following applies to you, you must, at your own cost, discuss with your doctor the possibility of undertaking the Flight and obtain written confirmation of your fitness to fly: diabetes treated with potentially hypoglycaemic medication, angina/coronary disease, implanted cardiac devices, heart failure, cardiac valve replacement, chronic lung disease, pneumothorax, recurrent fainting, epilepsy, cerebral disorders, alcohol/substance misuse, use of antidepressant medication, psychotic disorders, personality disorders, physical disability (if relevant to your ability to undertake the Flight), any transplant, malignant disease, medication likely to cause drowsiness or incapacitation, sleep disorder, endocrine disorder or major surgery.
- viii) You must be healthy and agile enough to climb into the aircraft and safely experience the dynamic nature of the Flight.
- ix) For **Spitfire** flights the maximum weight is 17 Stone / 238lbs / 108kg , and maximum height is 198cm / 6'6" . You will be weighed on the day of the Flight.

For **Hurricane** Flights the maximum weight is 15 Stone / 210lbs / 95kg and maximum height is 183cm / 6'0" . You will be weighed on the day of the Flight.
- x) No Passenger will be allowed to fly if his/her dimensions do not allow unrestricted movement of the control column of the aircraft.
- xi) You must not drink alcohol or take any drugs prior to the Flight.

- xii) Aerobatics can only be performed during Spitfire Flights if you are medically fit for such a manoeuvre (and subject to certain other conditions).

C 5) Cancellation or Amendment by You

- i) If you have booked a Flight and paid for it using a credit or debit card, you have 14 days to change your mind about your booking. We must receive your cancellation request within 14 days of the date on which you booked and paid for the Flight, and we will then (provided the Flight has not taken place) refund the full cost of the Flight to you. The cost of a Flight booked using a Voucher will not be refunded unless C 5)iii) applies.
- ii) If at any time before engine start, you decide that the level of risk is unacceptable to you, you may cancel the Flight.
- iii) If you cancel a Flight under C 5)ii) above, you can re-book the Flight for a later date or allow another eligible person to undertake the Flight at a later date. If you wish we will refund the full cost of the Flight to you or (if the Flight was booked using a Voucher) to the original purchaser of the Voucher.
- iv) Refund requests must be in writing and either posted to Warbird Experiences Ltd, Hangar 204 Churchill Way, Biggin Hill Airport, Kent TN16 3BN, or emailed to refunds@bigginhillspitfire.com. A form that can be used for requesting a refund is available on our website.
- v) Any refunds due will be processed, and a credit will be applied to the payer's credit card or original method of payment, within 14 days of the request for refund.
- vi) Once you have booked your Flight, at least 7 days' notice is required if you wish to make any amendments to the date or time. We will use reasonable endeavours to meet any request for amendments. Requests for amendments within 7 days of the booked date will be at our discretion and may be subject to an admin fee of £105.00.

C 6) Risk

- i) Before undertaking a Flight, you must read and understand the document on our website (or in the pack posted to you) entitled *IMPORTANT INFORMATION: The risks associated with flying in a Spitfire or Hurricane aircraft* (the 'SSAC Document'). We do not accept any Passenger for a Flight unless we are certain that the Passenger has fully understood the levels of risk and safety involved with the Flight, and you must not undertake a Flight unless you are certain that you understand the levels of risk and safety involved. Participating in a Flight may result in serious injury or death.
- ii) By agreeing to be a Passenger on a Flight you accept the existence of an element of personal risk, as set out more fully in the SSAC Document; this will be explained to you more fully in the pre-Flight briefings. You must also watch an associated video and participate fully in the briefings session held prior to your Flight. You will be required to sign a *Safety Standards Acknowledgement and Consent Declaration Form* (which is available for you to read on our website, or in the pack sent to you, and is referred to here as the SSAC Consent) before you are permitted to undertake a Flight. We will not allow you to undertake a Flight if you have not participated in the

pre-Flight briefings, or if you have not watched the video, or if you do not sign the Medical Declaration or the SSAC Consent.

- iii) You must comply with all instructions given to you by us and our staff, whether in the attached documents, in the video and other briefings given to you before the Flight, or orally at any time during the day of the Flight. You will be given suitable personal protective equipment before the Flight, which you must wear as instructed. You will need to provide your own footwear, which should be sturdy and offer decent grip (sandals, heels or leather soled shoes are not suitable).

C 7) Insurance

The aircraft in which the Flight takes place will be fully insured for third party and passenger liability with a combined single limit of at least £15.0M. If you hold personal life assurance or similar policies, you should make your own enquiries before the Flight as to the extent of cover whilst participating in adventurous activities such as this. It is your responsibility to ensure that the insurance cover provided by us or otherwise available to you is suitable and adequate for all your needs. If you decide that you require additional insurance cover, it is your responsibility to obtain such insurance at your own cost.

- ii) Guests are provided with a guest lounge facility which provides ample viewing opportunities.
- iii) Tea and coffee will be available for guests free of charge.
- iv) Your guests must participate in a health and safety briefing on arrival at our facilities.
- v) No dogs (except guide dogs) are permitted at our facilities.
- vi) There is no wheelchair access to the guest lounge, but an alternative waiting area is available for wheelchair users; this has restricted viewing facilities.

- i) No smoking is permitted at our facilities at any time including e-cigarettes.
- ii) All visitors must be escorted by trained personnel at all times.
- iii) All visitors must observe the walkway barriers in the hangar that are used to section off the working parts of the hangar, and must keep to the clearly marked walkways within the hangar.

C 10) Further Regulations Relating to Flights

- i) If you have any requests for the Flight content, you should relay them to our ground staff before the Flight, who will pass them on to the pilot. The pilot will discuss your wishes and the viability of what is being requested, but retains full discretion over whether or not your request can be met.

- ii) Cameras are not permitted on-board the aircraft. However, video recordings of the Flight are taken (content of video recordings cannot be guaranteed). After the Flight, it may be possible to get some photographs with you and your guests in the vicinity of the aircraft.
- iii) At the end of the Flight, you should remain seated with all of your equipment and straps done up until one of our ground staff helps you to unstrap and get out of the aircraft. They will then escort you back to the hangar.

C 11) Further Information

Further information about Flights (the procedure to be followed, the period during which you will be airborne, additional services that may be provided for an additional charge, and other matters) is available on our website, and you are encouraged to read this before the day of your Flight. Our staff and pilots are always happy to answer any questions about any aspect of the Flight.

D 2) Force Majeure

- i) We shall not be liable for any failure or delay in performing any of our obligations under a Voucher Contract or a Flight Contract to the extent that such failure or delay is caused an event beyond our reasonable control, including but not limited to strikes, lock-outs or other industrial disputes (whether involving our own workforce or a third party's), failure of energy sources or transport network, threats to safety, acts of God, war, terrorism, riot, civil commotion, interference by civil or military authorities, national or international calamity, armed conflict, malicious damage, unserviceability of the aircraft or of any other plant or machinery, nuclear, chemical or biological contamination, sonic boom, explosions, collapse of building structures, fires, floods, storms, earthquakes, loss at sea, epidemics or similar events, unavailability of pilots (provided we have used reasonable endeavours to ensure a pilot is available), natural disasters or extreme adverse weather conditions, or default of suppliers or subcontractors.

- ii) You will be held liable if you cause damage to any of our property or equipment (including an aircraft) by your negligence or wilful act or omission.

D 4) Severability

In the event that any provision of these Terms and Conditions is determined to be unlawful, void or unenforceable, such provision shall nonetheless be enforceable to the fullest extent permitted by applicable law, and the unenforceable portion shall be deemed to be severed from these Terms and Conditions.
